

Our Children Are Not For Sale- STOP Common Core!

Did you know personal data on your child [Personally Identifiable Information (PII)] is being collected at your school, and this data is shared with outside research companies who make a profit on your child?

Did you know teachers lose performance pay if your child doesn't score high on the high-stakes standardized test- Arizona's Measurement of Educational Readiness to Inform Teaching (AzMERIT)?

Did you know parents, like yourself, are being told by your school, and the Arizona Department of Education (ADE), that you do not have the right to "opt out" your child from standardized testing?

Do you want to protect your children from data mining and high-stakes testing?

Visit our websites today to learn more on how you can become involved to protect your children and your children's teachers from high-stakes testing, data mining, and the Common Core Standards.
